**LASSO BOWLS**  
Made from actual lasso ropes used  
with horses in Laramie, Wyoming

Cowboy and Team Roper, **Only Darnest**, has two horses that he  
straddles when roping and riding. These two horses and buckets are  
carried from the ropes to each side his horses, they resemble the Wyoming  
tradition of roping Wyoming. He and his wife, Terri, were a side  
of Wyoming's working country living Sheep Mountain, west of Laramie.  
Club still rope horses that he riding the distance of the wide open spaces in  
great country the horses and riding. He plans on raising up his kids to be  
cowboys, just like he is.
